IQS (Instituto Químico de Sarrià) School of Management

ISM
INTERNATIONAL
SCHOOL OF MANAGEMENT

IQS (Institut Químic de Sarrià) School of Management

- Based in Barcelona, Spain
- One of eleven research institutes within Universitat Ramon Llull
- One of Spains best centers for Business Administration and Management Education
- AACSB accredited

The Research Group on **Corporate Governance** (RGCG) @ IQS is fundamentally applied and aims to be of use for managers in the decision-making process, as well as for regulators and policy makers. The main lines of research are audit quality, earnings management and corporate governance.

The emergent Research Group **Consumer Behavior Perspectives** (CONHATIVE) @ IQS focuses on the analysis of consumer behavior in various contexts and aims to analyze the influence of economic policies on consumer behavior.

PhD – Doctor of Philosophy

- An internationally recognized research degree
- Further development of specialist knowledge and deep methodological capacity
- Duration: 3 or 4 years full-time, 5 years part-time
- Significant original research necessary
- Submission of a substantial research thesis as culmination of the degree

Please note: Cost of fieldwork, travelling, publications, living expenses, housing etc. must be covered by students.

Cooperation between ISM and IQS

- Possibility for ISM graduates to apply for a PhD program
- Max. 6 candidates per year
- Preselection made by ISM
- Final admission depending on IQS
- Jointly supervision (1 supervisor each)
- Delivery of the programs according to IQS' Policy and Code of Practice
- Administrative support provided by ISM

Admission, Requirements & Applications

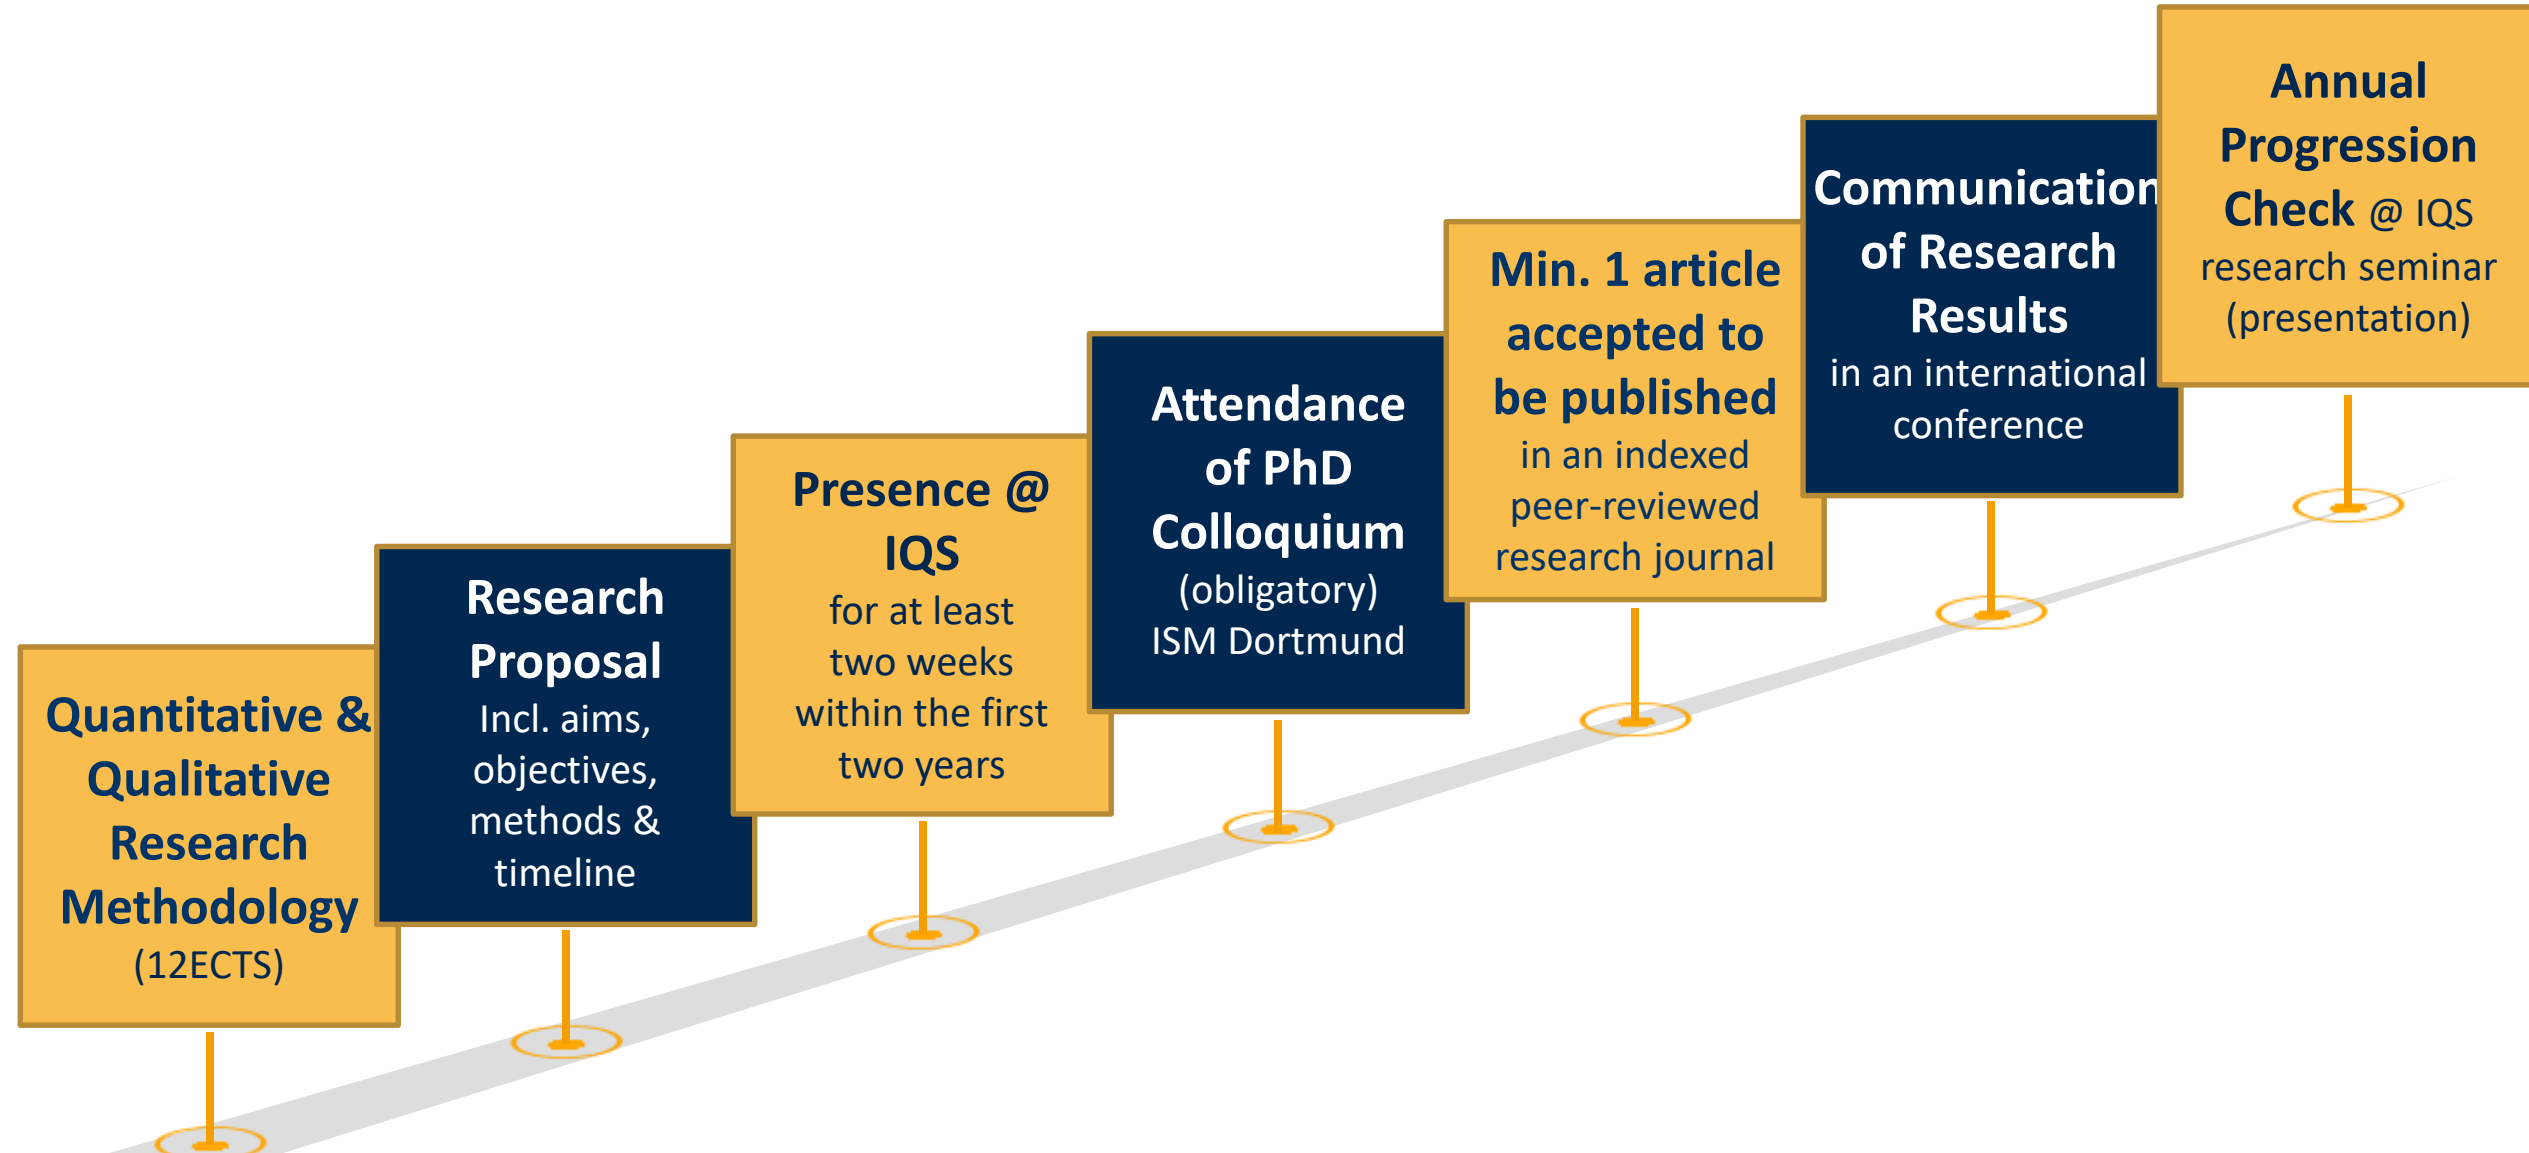

Admission Criteria

All applicants shall fulfill the following criteria:

- Excellence in academic qualifications (e.g.: minimum GPA 2.0)
- An official undergraduate degree or the equivalent
- An official Master's degree in a relevant discipline
- A total of 300 ECTS (min. 60 ECTS at Master's level)
- Proof of English language proficiency at min. C1 level
(IELTS 6.5 or TOEFL 90-95 (ibt) or above)
- A research proposal at an appropriate level for doctoral study
(which can be supervised by both IQS and ISM research staff)

Requirements

REQUIREMENTS

- Each student has to **be present at Barcelona and the IQS for the 3 years** of the program.
- Students that have not studied a Master in Research, must complete a course of 12 ECTS on Quantitative and Qualitative Research Methodology (no additional costs!). Depending on the students' conditions, it can be organised as a blended course (in-class combined with online instruction).
- Additionally each student is obliged to **attend one module at the ISM** (one week), which is taking place during February/March at the ISM Dortmund and is equivalent to 20 ECTS.
- Students must attend a **compulsory course of Ethics in Research**, and 2 courses per year, at least 6 courses during all the PhD program of 10 hours each one. These courses can be taken at any of the three universities in the program and also at other universities. Students will always have to present a certificate to validate it.

REQUIREMENTS

Before completing the PhD thesis and be allowed to proceed to its defence, the candidate must have for the traditional way:

1. at least one article published or accepted to be published in an indexed peer-reviewed research journal (JCR)
2. presented a communication in an international conference
3. presented the PhD work-in progress in an IQS research seminar every year.

Before completing the PhD thesis and be allowed to proceed to its defence, the candidate must have through the compendium of papers:

1. three articles published in an indexed peer-reviewed research journal (JCR)
2. presented a communication in an international conference
3. presented the PhD work-in progress in an IQS research seminar every year.

1

Write a Proposal

- Intended department of research
- Types of research methods to be used
- Relations to any previous research done in this field
