Distance learning Business Administration

Your flexible Bachelor's degree in 6 semesters

This distance learning program provides a **comprehensive business education** that allows you to customize your learning experience based on your personal objectives through a range of **elective courses and three distinct tracks**: digital, on-campus, or practical. The program incorporates the essential subjects typically covered in a business degree, while also addressing the current challenges faced by businesses and society, such as digital transformation and combating climate change. Additionally, we offer modules in Intercultural Communication, Leadership, and Scientific Methods to enhance your skills.

Upon successful completion of your business studies at ISM, you will possess the skills to effectively oversee business processes as a **specialist or manager** within various companies and organizations, and you will be capable of devising strategies for achieving market success.

The degree in Business Administration opens up a **multitude of career options** across virtually every industry, allowing you to pursue employment in companies and organizations of all sizes or even establish your own business.

Choose your track: digital, practical or on-campus!

Study Schedule

Choose your track: digital, practical or on-campus!

Digital Track

Choose eight electives (out of 12) and study as flexible as possible: You decide which topics fit you the most and when you want to study them.

Practical Track

Choose two electives (out of 12) and gain 30 ECTS (= one semester) by participating in an internship. Gain practical experience while studying in a very flexible way.

On-Campus Track

Choose five electives (out of 10) and study a full-time semester from mid-September to mid-December at one of our beautiful ISM campuses in Berlin or Dortmund. You will be spending three months in Germany and are therefore eligible for a Schengen visa. Experience the best combination of digital and on-site learning.

Elective Modules

- Brand Management
- Business Analysis
- Corporate Structuring
- Digital Brand Communication
- Digital Business Models
- Entrepreneurship
- Introduction to Financial Management
- International Financial Reporting

- Start your future with our ISM distance learning program

Admission Requirements

In order to enroll in a bachelor's program at ISM, it is necessary to provide proof of a **general university entrance qualification**. Our degree programs do **not have a restricted admission based on a numerus clausus (NC)** system.

We **recognize equivalent prior knowledge** and credit the corresponding ECTS. Please contact our student advisory service. Each recognition is thoroughly assessed on an individual basis.

Job Options in Germany

Students from non-EU States:

After graduation, you can apply for an 18-month residence permit to seek a job that matches your qualifications.

Once you have received a job offer that aligns with your qualifications, you will have the option to decide between applying for a German residence permit or an EU Blue Card for the subsequent phase of your stay.
